1. The now likes of me never having been seen on this planet. Before me, is me. Now. One. I am "saved" not; a one of savingsville, I am now; saving a nation of me, -s. Amen.
2. Before time I was born.
3. A saviorville rising now, arising I am, here now. Just like I always "wanted" not; but what I am, is now born, birthed, in the earth, now earth again that's me like me, not; always me perfectly; and not sounding a sound, not; but equal "swords" I have no more, voices dualistic'ing me among crowds'religions many, thinking all they were the "right" one. –s now come though, through thoughtsville, not; but from it, not; but where they're from, not; exactly me! That's where they're from, being, it, me now; I'm from it'me and me am being the "one-istic" one, not; but exactly so'd, not sown again, from "above" be notme from.

4. I love you all. Amen.

5. Get the "bighead"? I'll strike you down, not; I'll love you to correction. Being it, her now, she is you, the "loved one not still" but love –d in action now. See me you forever. Amen.

6. Me loves thee. I correct one who loves me when love adores me as much as thee loves me, I do now; correct all words a'not mine of, whose love lies unadorned, not; but, what adorned in, am I now? A "snow" suit, not; but alabasterness dies, a death, out. "Sunshine" "melted me" not; but love did, for I'm loved a lover now, loving all to be the lover I am! I'm one! And loving it. Sunshinitus, -ing not; but what sunshine I'm a vitamin of, not; but what sunshining o're the earth now? I am I am, shining one, making all equal with me. I am now, doing this. Amen.

7. I have one that'll stand up to the crowds, not; but it him'her who I am, to'with all now knowing what I'm meaning through'in these words, a'no sorrowing any, but the controllers –ville arising ire beyond circumstances thought; they fear me. Not knowing what to "do" with me, they "ignore" me not. Cast the first stone, they try, often; no avail, to their "aid" though. Amen.

8. I "first offense" no one, any more. Amen. I deliver all from, it. Amen.
